ATANCE

BOBAL 2022

ATANCE || Atance is a venture from Bodegas Mustiguillo as they step outside of their small Vino de Pago of El Terrerazo and into the broader DO of Valencia. The commitment to quality remains the same as Bodegas Mustiguillo, offering remarkable value. In the late 1990's, Toni Sarrion began a one man crusade to save the indigenous variety Bobal and coax it from obscurity and rusticity to the forefront of truly world class wines. Ever evolving and pushing the quality level forward, Toni and Bodegas Mustiguillo have been widely recognized as one of Spain's best wineries, including Wine & Spirits Top 100 Wineries of 2012.

VALENCIA || The Vino de Pago El Terrerazo lies within the DO Valencia, vines for Atance are primarily from in and around the town of Requena. This area is characterized by higher elevation vineyards, up to 700 meters on primarily limestone and sandy soils. The climate is Mediterranean with a strong continental influence with drastic diurnal shifts in temperature and contrasting winds from the sea to the east and hot La Mancha to the west.

"The 2022 Atance Tinto is pure Bobal from Venta del Moro, with a Mediterranean profile, moderate ripeness and alcohol (13.5%), keeping the freshness and balance. It fermented in stainless steel and matured in 8,000-liter oak vats for four months and then went into stainless steel until bottling. It follows the line here—clean and fresh, precise and harmonious—but this has more of everything: depth and complexity and especially the chalky, mineral sensation in the palate, which is surprising at this price level" - Luis Gutierrez
