RAVENTÓS I BLANC

DE LA FINCA 2021

RAVENTÓS I BLANC || The Raventós i Blanc estate, founded in 1497 and passed on through twenty-one generations to the present day, is a global reference for its viticulture methods. The estate, an agricultural organism surrounded by forests, a lake, and two hills that define the microclimate, is a living example of sustainable viticulture. The wines, with their unique character derived from the minerality of our soils and the demanding and respectful viticulture, are a testament to our commitment to quality and sustainability.

CONCA DEL RIU ANOIA - Penedès || In December 2012, Raventós i Blanc left the Cava DO to create a new designation: Conca del Riu Anoia. This small geographical area conveys strict viticultural traditions, the strength of the land, unique indigenous grape varieties, and the characteristics of the soils. Vineyards are farmed organically and biodynamically, and wines are all estate-grown, vintage-specific, and aged for a minimum of 18 months.

DE LA FINCA 2021 ||

BLEND | 50% Xarel·lo, 40% Macabeu & 10% Parellada

VINEYARDS | The historic Vinya dels Fòssils is located on the highest terraces of the Anoia River, with marine soils. Xarel·lo from Clot de les Comes and del Coll, Macabeu de La Barbera and Parellada from La Vinya del Mingo.

WINEMAKING | Made in the traditional method. Vinification is done separately by the variety and soil type in stainless steel tanks followed by blending and secondary fermentation in the bottle, aged for a minimum of 3 years. Zero Dosage.

PRESS | 93 WA

“The 2021 De la Finca comes from the sloped vineyards on the property, the Vinya dels Fòssils (the fossils vineyard), complemented with grapes from other plots. It’s a blend of 50% Xarel·lo, 40% Macabeu and 10% Parellada that refermented in bottle with the lees for 30 months. 2021 was the first of three warm and dry years, but less so than 2022 or 2023, so closer to a classical year, similar to 2019. It has some toasty notes, a smoky touch from extended time of contact with the lees in bottle: It has the balsamic core of Mediterranean herbs and white flowers and fruit and is aromatic, with good acidity and abundant small bubbles that give it texture.”
