**Valravn Sonoma County
Sauvignon Blanc 2024**

Valravn is Banshee Wines founder Baron Ziegler's Sonoma project. It began with a Zinfandel in 2014 and has since expanded to a full lineup. This Sonoma Sauvignon Blanc is wonderful with notes of aloe, citrus, and green pepper on the nose with a dash of honey. The palate is full and round with a nice grip. The ABV is slightly elevated at 14 percent, but it's well integrated, making for a delicious, fuller-bodied Savvy B.
